What you need to know

This booklet has everything you need to know about your policy. But to make it easier to digest, we've pulled out some important bits below. Like what you need when you break down and how to keep your cover valid.

Broken down? You'll need to give us the details below

- Your name, policy number and the vehicle registration. If you don't have this handy, we'll need your house number and postcode.
- The vehicle's make, model and registration number.
- Where you have broken down. This could be an address, the road name, or the motorway name and nearest junction.
- A number we can contact you on.
- Some ID. This could be a bank card or a driving licence.

Want an easier way to report your breakdown?

Download the myRAC app on App Store or Google Play. It's the fastest and easiest way to report a breakdown.

In Europe, keep these with you...

- Credit card: If you need to arrange a hire car, the provider will need both a valid, full UK driver's licence and a credit card in the driver's name. Please make sure you bring one on your journey. Debit cards won't be accepted.
- Logbook (V5C) You must take your vehicle's logbook (V5C) with you when travelling to Europe.
- Passport: Some garages in Europe will need to see your passport before they begin any repairs.

Reminders to support your policy

- To make a claim, always call us and allow us to assess the claim. If you don't speak to us before requesting services, you will not be covered.
- If any of your details change, update your broker straight away or you may not be covered.
- Keep your vehicle roadworthy. You'll need valid tax, insurance and MOT or we won't be able to help if you break down.
- We're here to help. But if we tell you about a fault or carry out a temporary repair, it's your responsibility to get it fixed. We won't attend repeat callouts for the same problem.
- We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always take your circumstances into account.
- If you do break down, you'll be asked to read and sign a form that tells you what we found wrong with your vehicle and what you need to do. Please make sure you read and understand this.
- Your policy doesn't cover vehicles used for public or private hire, the carriage of good for hire and reward, demonstration purposes or carrying trade plates or vehicles over 3.5 tonnes. We also have length and weight restrictions (max 6.4m long and 2.55m wide) as we can't tow vehicles bigger than this. We also don't cover motorbikes under 49cc.
- Keep a debit or credit card with you when you travel. You may need it for a hire car or to pay for things up front, even if you're covered. Only Credit Cards can be used in Europe for car hire.

In addition, for Europe:

- Trips must start and end in the UK. You need to have cover for the total length of your trip.
- Caravans and trailers are only covered if they're attached to your vehicle when it breaks down. We also don't cover motorbikes under 49cc.
- If you break down on a private motorway, use the emergency telephone. If you break down anywhere else, call us first.
- If you fail to contact us within 24 hours of the breakdown, we may not be able to provide you services. For example, if you delay calling us, it could mean there isn't time to repair your vehicle before your planned departure. In that case, we won't get your vehicle home or reimburse you for garage support.
- We will only provide cover if we arrange help or have agreed in advance to reimburse you for help that you've arranged.

Breakdown or road traffic collision on a motorway in France or Mainland Europe

- Motorways in many European countries are privately managed. If your vehicle breaks down or is in a road traffic collision on a private motorway or motorway service area you must use the roadside emergency telephones before contacting us. They can tell you whether the RAC can attend, or if they need to send their own recovery vehicle. If your vehicle is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot. A standard tariff is normally applied.
- We will reimburse these charges if the vehicle is towed to the recovery company's depot. This may apply to other roads in Europe, so we recommend you use the emergency phones where available. If they refuse to send a recovery vehicle, you should contact us.

Who arranges and provides your cover?

There are 2 parts to your RAC Breakdown Cover:

1. Breakdown Policy

Depending on the type of cover you have bought, you will have one or more contracts. These contracts are between you and one of our companies.

Cover type	Your contract is with
Roadside	RAC Motoring Services
At Home	
Recovery	
Included Benefits	
Onward Travel	RAC Insurance Limited
Misfuel Rescue	
European Motoring Assistance	

2. policy schedule

Your policy schedule will give you details on:

- what you're covered for
- when your policy starts and ends
- how much your policy will cost.

Making sense of your policy

We want our terms and conditions to be clear and easy to understand. To help with this, we use certain words in a specific way. We show the meaning of these words below. These definitions apply to all areas of your contract.

beyond economical repair

This is when the cost of repairing your vehicle would be greater than its market-value. We'll base the cost of repairs on the estimate made by the European garage.

breakdown/break down/broken down

An event that happens during the time you're covered that stops the vehicle being driven. This must be because of a mechanical failure (such as if your car won't start) or an electrical failure (for example, loss of power). This also includes flat tyres, locking your keys in the vehicle and running out of fuel or charge. We don't consider it a breakdown if the vehicle can't be driven because of:

- a road-traffic collision
- fire, flood, theft
- acts of vandalism, or
- any driver-induced fault.

broker

means the insurance agent/broker who arranged and administer this RAC Breakdown Cover;

driver-induced fault

Any fault caused by the driver of the vehicle, accidentally or on purpose. It includes any key related issue other than locking your keys in your vehicle.

Europe

Andora, Albania, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus (South), Czech Republic, Denmark, Estonia, France, Finland, Georgia, Germany, Gibraltar, Greece, Hungary, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Moldova, Montenegro, Monaco, Netherlands, Norway, Poland, Portugal, Republic of Ireland, Republic of North Macedonia, Romania, Russian Mainland (west of the Urals), San Marino, Spain (excluding Ceuta, Melilla and the Canary Islands), Serbia, Slovakia, Slovenia, Sweden, Switzerland, Turkey in Europe plus Uskudar, Ukraine and Vatican City, and any offshore islands of the above, except overseas territories outside of Europe.

home

Your permanent home in the UK. It's the address you will see on your policy schedule.

journey

A trip in Europe that begins when you and your vehicle leave your home address. This must be on or after the start date of your policy. The journey ends when you return home, during the period you're covered.

market value

What your vehicle is worth in the UK, as determined by us. This will be from Glass's Guide or another appropriate trade vehicle valuation guide, based on a vehicle of equivalent age, make, recorded mileage and value.

passengers

The driver and up to the number of passengers allowed as shown on the Vehicle Registration Document.

planned departure date

The date you intend to begin your journey. We may ask for evidence of this. Applies to section F - European breakdown only.

RAC/we/us/our

- This means RAC Motoring Services in:
 - Sections A, B, and C
 - Included Benefits

- This means RAC Insurance Limited in:
 - Sections D to F

Every time we say RAC/we/us/our, it can also mean any person who works for any of the companies above, or we've agreed can work on our behalf.

RAC Mobile Mechanic

This is a paid for service not included within your breakdown policy and is different to the patrol or resource we initially sent to help you.

road-traffic collision

This is if you hit another vehicle or an object (for example, a lamppost or a tree) and damage your vehicle so it can't be driven. If changing your wheel will get you back on the road, we won't consider this a collision.

specialist resource

Resources or tools that our patrols don't usually carry. They may be needed to make a repair or recovery. It may mean a crane, tractor, or lifting equipment.

UK

In this policy, UK means England, Scotland, Wales, Northern Ireland, Jersey, Guernsey, and the Isle of Man.

you/your

The person who is taking out the policy. If you are an individual, you must be a resident in the UK. For a business, the registered office/trading address must be in the UK.

- All claims and requests for service must be made directly to us.

Policy type Vehicle Based

1. immediate emergency cost to secure the vehicle. For example, calling somebody to secure a broken window, or

Reimbursement

We won't reimburse any costs that haven't been arranged through or agreed by us.

Please send us your completed form within 90 days of your breakdown using the contact details on the form. We'll need to see proof of payment, so please send us the receipt.

Caravans and trailers

All the benefits we provide to your vehicle will also apply to your caravan or trailer if it is attached to your vehicle when the breakdown happens.

We will only cover caravans or trailers that are less than:

- 3.5 tonnes
- 7.0 metres long
- 2.55 metres wide.

We can't arrange replacement caravans or trailers, however. Similarly, we cannot usually hire vehicles with tow bars. So, if your vehicle breaks down you may need to leave your caravan or trailer with it while it is being repaired.

IMPORTANT

Caravans and trailers are only covered if they are attached to your vehicle when the breakdown happens. This policy doesn't cover anything being carried in a trailer or caravan, even when attached to your vehicle.

Help sourcing parts

If you need to go into a garage after the breakdown, we can help you purchase replacement parts if they can't be found locally. We will pay for their delivery to the garage, but you will need to pay for the parts.

Section F8 – Ways we can help, beyond a breakdown

If your vehicle can't be driven, but it's not because of a mechanical or electrical breakdown, we can still help. For any of the following problems, just give us a call on 00 33 472 43 52 55.

- **Road-traffic collisions**
We will arrange recovery of your vehicle to a local garage.
- **Running out of fuel (or charge for an electric vehicle)**
We will take you to the nearest fuel station or electric charger. You will need to pay for your fuel/charge.
- **Flat tyres**
If your vehicle is carrying a spare tyre, we will fit this to allow you to continue your journey. If you don't have a spare tyre, we will arrange to recover your vehicle to a local garage. If a tyre needs to be ordered, this can take 2 days or more.
If the delay causes you to miss a pre-booked ferry or train connection, we will reimburse you under Missed Connection (section F3). You will need to pay for the tyres and any associated costs.
- **Locked-in keys**
If your keys are locked in your vehicle, we will arrange for local experts who could help to try to get them out. We are not liable if damage is caused to the vehicle in this process. You will need to pay for this service.
- **Flooding**
If your breakdown's caused by driving through flood water, we'll arrange for your vehicle to be taken to a local repairer. All further service needs to be covered by you or referred to your motor insurer.

Your policy conditions for Section F

The following conditions apply to all sections of this policy. If you don't keep to them, we can refuse cover or cancel your policy (or both).

1. **Living in the UK** You must be a permanent resident of the UK during the time you're covered by this policy.
2. **Making a claim** Claims made more than 24 hours after the breakdown may be refused.
3. **Passengers** The vehicle must not carry more passengers than the number stated in the vehicle's Registration Document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification.
4. **Continuing your journey** We won't cover claims for repairs that aren't essential to you continuing your journey.
5. **Local laws** You must make sure your vehicle meets all the laws of the countries you visit.
6. **Exchange rate** How we calculate exchange rate:
 - a. any costs we incur directly in a currency other than GBP will be converted to GBP at the exchange rate used by us at that time
 - b. any costs incurred by you in a currency other than GBP that we are going to reimburse will be converted to GBP either:
 - i. at the exchange rate used by your debit or credit provider
 - ii. at the exchange rate used by us when we receive your claim form if you paid in cash.
7. **Garage Repairs** We won't take responsibility for the repairs done by a garage or repairer. Any acts or omissions are their responsibility. The contract for repairs will be between you and the garage/repairer.
8. **Delays to repairs** If your car needs repairs after a breakdown, you must not delay or refuse repairs while in Europe. If you do, and we believe this will lead to higher costs, we can refuse you cover under Onward Travel (section F4) and Getting your vehicle home (section F5).
9. **Event outside of our control** events outside our control may stop us being able to offer you our service as usual. For example, terrorist acts, pandemics or epidemics, extreme weather, industrial disputes, wars, or riots. If this happens, we'll take steps to make sure we can offer you the best service possible.
10. **Specialist resources** Your policy doesn't cover:
 - a. specialist resource. For example, if you've lowered your suspension and we need special lifting equipment to move your vehicle onto our ramp.
 - b. damage to glass, even if the damage means you can't legally or safely drive. We'll arrange transport to a local garage so you can get your vehicle fixed, but you will have to pay for the repair.
 - c. ferry charges for your vehicle or our vehicle.
 - d. spare tyres and wheels – neither repairing or sourcing them.
11. **non-RAC recovery in the UK** If an emergency service, local authority, or any government agency handles your breakdown, we'll only attend and offer recovery if we've been asked to by them. For example, a breakdown on a live lane of a motorway.
12. **Other things not covered** This policy doesn't cover:
 - a. routine servicing, maintenance, or assembly of your vehicle

- b. breakdowns that happen during events or activities where the normal rules of the road don't apply. For example, we won't attend breakdowns on racetracks, or if you have been immediately recovered from a racetrack. This includes use of the Nürburgring
- c. breakdown and recovery in a place you or we have no legal access to
- d. vehicles that aren't being used in line with the maker's guidelines
- e. vehicles that aren't in good enough condition to drive. If we think your vehicle isn't in good enough condition to be legally driven, we can refuse you service
- f. overloading of a vehicle under the laws in any country it is travelling through
- g. a claim that is or may be affected by the influence of alcohol or drugs
- h. a breakdown caused by vehicle theft or fire
- i. breakdowns caused by running out of oil or water, frost damage, rust or corrosion
- j. vehicle-storage charges. If your vehicle can't be delivered as agreed and is being stored, we'll contact you at your last-known address. We'll provide details on collecting your vehicle and any fees that may be payable. In extreme instances, if you haven't collected or paid for the vehicle, it may be destroyed. We'll try to contact you before this happens.

Your policy conditions

The following conditions apply to all sections of this policy. If you don't keep to them, we can refuse cover or cancel your policy (or both).

1. **Policy cost** You must pay the agreed cost of your policy.
2. **Direct request for services** You must request services directly from us. We'll only provide cover if we've arranged or authorised your services. If your vehicle is already at a garage or another place of repair, you won't be covered.
3. **Callout to avoid repair cost** If we have reason to think you have called us out to avoid the cost of repairing your vehicle, or to correct a repair that's been tried by someone else, we won't provide cover.
4. **Driver must be with the vehicle** The driver must be with the vehicle when we attend. If there isn't, we won't be able to provide a service.
5. **Vehicle contents** Don't leave valuables in the car. We can't cover any loss or damage to the vehicle's contents.
6. **Under-16s** If we need to recover passengers under the age of 16, an adult must accompany them.
7. **Animals** The only animals allowed in RAC vehicles are assistance dogs. However, if your vehicle needs to be recovered, animals can stay in your vehicle at your own risk, or we'll do our best to find an alternative way to transport them. We won't be liable for any injury to animals, or damage they cause. We do not transport livestock. We're not responsible for any costs relating to animals.
8. **Roadworthiness** If we repair your vehicle, we're responsible for that repair but this doesn't mean we're confirming the vehicle's legal and roadworthy condition. This is your responsibility.
9. **Uninsured losses** We won't be responsible for any losses after a breakdown that aren't listed in this policy. For example, we won't pay for any loss of earnings or missed appointments.
10. **Garage closed or can't help** If we take your vehicle to a garage, we can't guarantee it will be open or that repairs will start straight away. We'll try to check that the garage can do the kind of repairs needed, but we can't guarantee this. We won't take responsibility for repairs, whether done by an RAC Approved Garage or not. The contract for repairs will be between you and the garage or repairer.
11. **Attendance times** We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always try to take your circumstances into account. The estimated times we give you may change because of things outside of our control, including traffic, accidents, and weather. If we think it's the best solution for you, we may send one of our trusted partners to help you.
12. **Specialist resources and glass** Your policy doesn't cover:
 - a. specialist resources (for example, if you've lowered your suspension and we need special lifting equipment to move your vehicle onto our ramp), or
 - b. damage to glass, even if the damage means you can't legally or safely drive. We'll arrange transport to a garage within 10 miles so you can get your vehicle fixed, but you will have to pay for the repairs, and any associated costs.
13. **Breakdowns on motorways or dual carriageways** If you break down on a motorway or dual carriageway, we may need to get the local highways authority or emergency services to take you to a safe place before we can attend. This would apply, for example, to a breakdown on a live lane of a motorway.
14. **Choice of options** If you make a claim, there may be more than one option available to you. Based on our experience and expertise, we'll recommend what we think is the best option. We'll always discuss your options with you clearly.
15. **Other things not covered** This policy doesn't cover the following.
 - a. Routine servicing, maintenance, or assembly of your vehicle.
 - b. Ferry charges for your vehicle or our vehicle.
 - c. Breakdowns that happen during events or activities where the normal rules of the road don't apply. For example, we won't attend breakdowns on racetracks, or if you have been immediately recovered from a racetrack.
 - d. Breakdown and recovery in a place you or we have no legal access to.
 - e. Vehicles that aren't being used in line with the maker's guidelines.
 - f. Vehicles that aren't in good enough condition to drive. If we think your vehicle isn't in good enough condition to be legally driven, we can refuse you service.
 - g. A claim that is or may be affected by the influence of alcohol or drugs.
 - h. A breakdown caused by vehicle theft or fire.
 - i. Vehicle-storage charges. If your vehicle can't be delivered as agreed and is being stored, we'll contact you at your last-known address. We'll provide details on collecting your vehicle and any fees that may be payable. In extreme instances, if you haven't collected or paid for the vehicle, it may be destroyed. We'll try to contact you before this happens.

16. **Events outside of our control** may stop us being able to offer you our service as usual. These could include such things as terrorist acts, pandemics or epidemics, extreme weather, industrial disputes, wars, or riots. If this happens, we'll take steps to make sure we can offer you the best service possible.

Included benefits

We offer these services as part of your breakdown policy package.

Caravans and trailers

If your caravan or trailer breaks down in the UK, we'll try to repair it at the roadside. The repair may be temporary or permanent. We won't provide any other cover (such as recovery) under this policy if your caravan or trailer breaks down. However, if a vehicle breaks down and a caravan or trailer is attached to it, we'll recover the caravan or trailer as well, if it is less than:

- 3.5 tonnes
- 7.0 metres long, and
- 2.55 metres wide.

Service in the Republic of Ireland

If the home address listed on your policy is in Northern Ireland and you break down in the Republic of Ireland, we'll offer roadside attendance. This is described in Roadside (section A). If you have Recovery (section C), we'll recover your vehicle to your home or to another destination in Northern Ireland if it's closer. If the home address listed on your policy is in mainland UK and you break down in the Republic of Ireland, we'll only provide roadside attendance (section A).

Urgent message relay

If your vehicle has broken down and you need to contact friends and family urgently, we'll try to get a message to them for you.

Replacement driver or recovery, in the event of illness

This service can help if you unexpectedly fall ill or are injured during a journey in the UK. If there's no one in your party who can drive the vehicle instead of you, we may be able to offer you a replacement driver or recover your vehicle and passengers to a single destination in the UK. This is discretionary, so we'll decide whether to provide this service. We'll need a medical expert to confirm in writing that you are unable to drive.

Additional services

- **If you run out of fuel or charge, we will do one of the following.**
 1. Bring enough fuel to get you to the nearest fuel station (you will have to pay for the fuel).
 2. Send one of our mobile EV charging vehicles (which will give you enough charge to get to the nearest charge point).
 3. Send a patrol to tow you to the nearest fuel station or charge point.
- **Flooding**
If your breakdown's caused by driving through flood water, we'll arrange for your vehicle to be taken to a local repairer. All further service needs to be covered by you or referred to your motor insurer.
- **Driver-induced faults**
- If your vehicle can't be driven due to other driver-induced faults, we may still be able to help you. This could be by arranging specialist resources to attend if you are stuck in a ditch.

You will need to pay for these services, but we'll discuss the options with you when you call us.

1. whether you have used the service
